

Education Summit 2020: Systems Change

EXAMINE ENGAGE EXTEND

Saturday, Oct 31st | 9:00 - 4:00

- Vision** — Create a more effective and equitable education for each student in Kansas and Missouri.
- Mission** — Facilitate big ideas and decrease challenges in community relations, curriculum, discipline, human resources, and social-emotional health and well-being.
- Aims**
- Function as a conduit to catalyze the transformation of schools, districts, and the education system.
 - Foster an inclusive support system for schools in Kansas and Missouri.
 - Work collaboratively and respectfully the day of the summit.
- Goals**
- Unite academia, businesses, legislators, and the community to discuss and create action plans of change regarding community relations, curriculum, discipline, human resources, and social-emotional health and well-being.
 - Provide a valuable experience for participants.
 - Equip participants with the strong skills necessary to implement their action plan of change.
